

# Meteoric rise for Goscor Rental's Cleaning Division

FOUNDED IN 2008, Goscor Rental Company (GRC), a division of diversified industrial group Goscor, has already grown its cleaning division to more than 168 machines. "We have focused on making short-term rental really easy for our customers," says GRC GM Greg Venter (right). GRC sales executive for cleaning equipment Manie Minie (left) concurs. "Our sales and service team are trained to make short-term rental easy and our successes are testament to our approach." GRC's main product offering are Tennant industrial cleaners, renowned worldwide for their quality and durability and include award-winning ride-on sweepers, scrubbers and road cleaners that clean in a wide range of applications including roads, factory floors, parking lots and basements in industry, retail and a host of other sectors.
