

Goscor Rental expands forklift division

Goscor Rental Company GM Greg Venter and sales manager Barbara McCarthy.

GOSCOR RENTAL COMPANY (GRC), a division of diversified industrial group, Goscor, has expanded its forklift division by more than 20 percent since January to cater for the strong growth of the group's activity in this sector. Greg Venter GRC GM says, "We are not only expanding, but are in the process of replacing our older fleet with new, state-of-the-art equipment." Recently the giant Imperial group bought a controlling share in the Goscor group and its added muscle has helped GRC to expand its business. In addition to its warehousing and logistics division, GRC offers a full range of Tennant industrial cleaning equipment, including ride-on sweepers and ride-on mowers. All products and services are backed up by the Goscor group's nationwide parts and service network.
